APPENDIX II (U)

REFERENCES

1. Publication Indexes

The following indexes should be consulted frequently for the latest changes or revisions of references given in this appendix and for new publications relating to the materiel covered in this manual.

Index of Administrative Publications ................................................................. DA Pam 310-1
Index of Army Motion Pictures, Film Strips, Slides, and Phono-Recordings ........ DA Pam 109-1
Index of Blank Forms ......................................................................................... DA Pam 310-2
Index of Graphic Training Aids and Devices ..................................................... DA Pam 310-5
Index of Supply Manuals, Ordnance Corps ....................................................... DA Pam 310-29
Index of Doctrinal, Training, and Organizational Publications (Field Manuals, Reserve Officers Training Corps Manuals, Training Circulars, Army Subject Schedules, Army Training Tests, Firing Tables and Trajectory Charts, Tables of Organization and Equipment, Type Tables of Distribution and Tables of Allowances) DA Pam 310-3
Index of Technical Manuals, Technical Bulletins, Supply Manuals (Types 4, 6, 7, 8 and 9), Supply Bulletins, Lubrication Orders, and Modification Work Orders DA Pam 310-4

2. Supply Manuals

The following supply manual pertains to this materiel.
Ammunition, Explosives, Bulk Propellants, and Explosive Devices ......................... SM 9-5-1375

3. Forms

The following forms pertain to this materiel.
Equipment, Inspection and Maintenance Worksheet .......................................... DA Form 2404
Equipment Maintenance Records, Organizational ........................................... DA Form 2408-3
Maintenance Request ......................................................................................... DA Form 2407
Materiel Inspection and Receiving Report .......................................................... DA Form 829
Rejection Memorandum .................................................................................... DA Form 6
Request for Issue or Turn-In ............................................................................. DA Form 1546

4. Other Publications

The following explanatory publications contain information pertinent to this materiel and associated equipment.

a. Camouflage.

Camouflage, Basic Principals ........................................................................... FM 5-20

b. Decontamination.

Decontamination .............................................................................................. TM 3-220
Defense Against CBR Attack ......................................................................... FM 21-40

c. Destruction to Prevent Enemy Use.

Demolition Materials ....................................................................................... TM 9-1946
Explosives and Demolitions ................................................................ .......... FM 5-25
d. General.

Accident Reporting and Records.................................................. AR 385-40
Army Safety Program..................................................................... AR 385-10
Authorized Abbreviations and Brevity Codes................................. AR 320-80
Corrosion Control and Treatment ................................................. TB 9-337
Dictionary of United States Army Terms...................................... AR 329-5
First Aid for Soldiers.................................................................... FM 21-11
Military Symbols........................................................................... FM 21-30
Military Terms............................................................................... FM 21-5
Northern Operations...................................................................... FM 31-71
Ordnance Direct Support Service....................................................... SB 9-1
Ordnance General and Depot Support Service........................................ AR 750-5
Ordnance Major Items and Major Combinations, and Pertinent Publications
Organization, Policies, and Responsibilities for Maintenance Operations
Organizational Maintenance NIKE-HERCULES Launching and Handling Equipment
(NIKE-HERCULES and Improved NIKE-HERCULES Air Defense Guided Missile Systems)
Organizational Maintenance NIKE-HERCULES Radar Course-Directing Central
(NIKE-HERCULES and Improved NIKE-HERCULES Air Defense Guided Missile Systems)
Report of Malfunctions and Accidents Involving Ammunition and Explosives During Training and Combat
Techniques of Military Instruction.................................................. FM 21-6

e. Technical Manuals.

Army Equipment Record Procedures.............................................. TM 33-750
Operation and Maintenance of Army Material in Extremely Cold Weather 0° to —65°........ TM 9-207
Materials Used for Cleaning, Preserving, Abrading, and Cementing Ordnance Material; and Related Materials Including Chemicals
Painting Instructions for Field Use................................................... TM 9-247
Preservation, Packaging, and Packing of Military Supplies and Equipment
Preventive Maintenance Services (NIKE-AJAX, NIKE-HERCULES, Improved NIKE-HERCULES Air Defense Guided Missile Systems)
Use and Care of Hand Tools and Measuring Tools.......................... TM 9-1400-250-12

TM 9-1400-250-10/2

Radar power supply group (See Power supply group, radar)
Radar set group
Radar target simulator (See Simulator, radar target)
Radar test set group (See Test set group, radar)
Radio sets (See Communications)
Radome
Radome-support-tripod, HIPAR antenna
Rail, launching-handling
Rear body section hoist beam (See Beam, hoist, rear body section)
Receiver group, EFS
Receiver-transmitter, acquisition
Receiving and decoding circuits (See Circuits)
Reciprocating compressor, power driven, trailer-mounted
Recorder group
Red equipment status (See Equipment status)
Refrigerant condenser (See Condenser, refrigerant)
Regulator, voltage, induction
Report of completed engagements (See Engagements completed, report of)
RF harmonic filter (See Filter, RF harmonic)
Rocket motor cluster (See Guided missile M1-14A)
Rocket motor cluster hoist beam (See Beam, hoist, rocket motor cluster)
Rocket motor cluster truck (See Truck, rocket motor cluster)
Safety provisions (See Guided missile launching set)
Scope of manual
Selection of targets for engagement (See Targets)
Selector, HERCULES launching section
Service area
Short range surveillance operator's position and duties (See Director station, trailer mounted)
SIF/IFF identification (See Targets)
Simulator group, flight:
Description
Equipment used for testing
Simulator group, HERCULES section
Simulator, radar target
Stabilized local oscillator
Steering control circuits (See Circuits)
Step-up power transformer (See Transformer, power, step-up)
Support set, antenna, radar
Surface-to-air antiaircraft mission (See Missions)
Surface-to-air anti-missile mission (See Missions)
Surface-to-air low altitude mission (See Missions) (See also Equipment status)
Surface-to-air mission (See Missions) (See also Equipment status)
Surface-to-surface mission (See Missions) (See also Equipment status)
Switchboard operator's position and duties (See Director station, trailer mounted)
"T" configuration (See Radar course directing central)
T1 trainer
Tactical application (See Improved NIKE-HERCULES Air Defense Guided Missile System) (See also NIKE-HERCULES ATBM System)
Tactical control (See NIKE-HERCULES ATBM System)
(See also Improved NIKE-HERCULES Air Defense Guided Missile System)
Tactical controller's position and duties (See Director station, trailer mounted)
Target radar control console (See Console, target radar control)
Target range antenna-receiver-transmitter group (See Antenna-receiver-transmitter group, target range)
Target range indicator (See Indicator, target range)
Target range operator's position and duties (See Tracking station, trailer mounted)
Target ranging radar control (See Control, target ranging radar)
Target ranging radar system; technical data

Targets:
- **Designation**
- **Identification:**
  - FUUF
  - SIF/IFF interrogation modes:
    - **Emergency**
    - **FLI**
    - **IFF**
    - **PI**

Selection for engagement
Target track antenna-receiver-transmitter group (See Antenna-receiver-transmitter group, target track)
Target tracking radar system; technical data
Technical assistance for echelons of maintenance (See Maintenance)
Technical data (See specific item)
Telephone system (See Communications)
Test equipment for field maintenance (See Maintenance)
Test set, assembly area, HERCULES missile
Test set group, radar
Test set, launching area HERCULES missile
Tracking station, trailer mounted:
- **Description**
- **Operator positions:**
  - Azimuth
  - Elevation
  - Missile tracking
  - Target range
  - Tracking supervisor

Tracking supervisor's position and duties (See Tracking station, trailer mounted)
Trailer mounted director station (See Director station, trailer mounted)
Trailer mounted launching control station (See Launching control station, trailer mounted)
Trailer mounted power driven reciprocating compressor (See Reciprocating compressor, power driven, trailer mounted)
Transformer, power, step-up
Transmitter control-indicator (See Control-Indicator, transmitter)
Transmitting circuits (See Circuits)
Transporter adapter, missile body or rocket motor cluster
Truck, forward body section
Truck, HERCULES missile body
Truck, power supply
Truck, rocket motor cluster
Unit, power distribution
Warhead body section (See Missile body)
Warhead body section hoist beam (See Beam, hoist, warhead body section)
Warhead system
Waveguide pressurizer (See Pressurizer, waveguide)
White equipment status (See Equipment status)
CONFIDENTIAL

By Order of Wilber M. Brucker, Secretary of the Army:

G. H. DECKER,
General, United States Army,
Chief of Staff.

Official:
R. V. LEE,
Major General, United States Army,
The Adjutant General.

Distribution:
Active Army:

To be distributed in accordance with DA Form 12–7 requirements for TM 9 Series (CLASS) plus the following Formula:

DCSLOG (1)
Tech Sft, DA (1) except
CofOrd (3)
USARADCOM (2)
USARADCOM Rgn (3)
MDW (1)
WSMR (10)
1st Mal Bn, 61st AAA (12)
1st Mal Bn, 48rd AAA (12)

1st GM Bde (50)
Units org under foI TOE:
(3 copies each)
9–510 (CONUS Only)
44–544
44–545
44–546
44–547
44–548

NG: Units org under foI TOE: 44–545 (4); 44–546, 44–547 (1).

USAR: None

For explanation of abbreviations used, see AR 320–50.
